OUR PARTNERS

Grandstream Networks Inc.

Grandstream has been connecting the world since 2002 with unified communications and networking solutions that make communicating more impactful than ever before. Headquartered in Boston, MA, USA, Grandstream solutions are used in over 150 countries and trusted by global enterprises and small business alike for their quality, reliability, and innovation.

Polycom

Poly, formerly Polycom, a part of HP Inc., is an American multinational corporation that develops video, voice and content collaboration and communication technology. Polycom was co-founded in 1990 by Brian L Hinman and Jeffrey Rodman. In 2018 Polycom was acquired by Plantronics and in 2019 the name of the combined entity was changed to Poly. In 2022, it was sold onwards to HP.

BARCO

Barco NV is a Belgian technology company that specializes in digital projection and imaging technology, focusing on three core markets: enter tainment, enterprise, and healthcare.

ZOOM

Zoom Video Communications, Inc. is a communications technology company headquartered in San Jose, California.

Hisense

Discover Hisense's latest smart TV & entertainment system, appliances and smartphones designed for your pleasure and convenience.

Teltonika Networks

Teltonika Networks' brightest minds are behind the design of our connectivity products. Located in Kaunas, Lithuania, our in-house R&D develops new products.
